This skateboard deterrent is a ball and stud designed to be installed along the edges of concrete or stone benches, walls and planters. The standard GrinderMinders is made from solid stainless steel with a brushed finish.

**AVAILABLE FINISHES**

**SOLID STAINLESS STEEL WITH A BRUSHED FINISH**
(our most popular choice)

**SOLID STAINLESS STEEL WITH A BLACK OXIDE FINISH**
(soft, matte black appearance)

**SOLID BRASS WITH A CLEAR POWDER COAT FINISH**
(brass will maintain its shine)
